Your neighbours….

….here to help

The Hoe Neighbourhood Forum Covid-19 Support Group is made up of local people, community groups, faith groups and businesses.

We're providing safe, coordinated support to neighbours who need a hand for as long as Covid-19 is around and self-isolation is in place.

This is a time for community. So whether it's food, prescriptions, a reassuring voice or something else, let us know.

Volunteers welcome

We don't know how long restrictions will impact people in our community.

If you're interested in volunteering with us to make life a little easier for our neighbours, we'd love to hear from you.

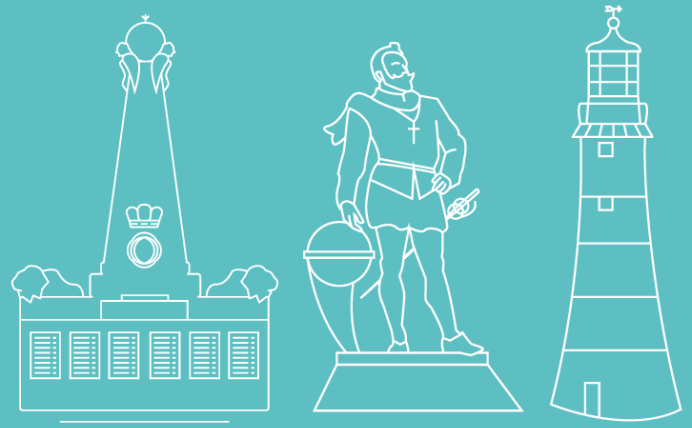
The Hoe Neighbourhood Plan

Hoe Neighbourhood Forum Covid-19 Helpline



What is the Hoe Neighbourhood Forum?

The Hoe Neighbourhood Forum was formed to give residents, businesses and community groups a say on local planning matters within the forum area. Neighbourhood Forums are official statutory bodies and council planners are legally obligated to consider the forum's input when assessing planning applications.

What is a Neighbourhood Plan?

A Neighbourhood Plan sets out a shared vision for a neighbourhood and helps to shape the development and growth of a local area. The plan includes where new homes and amenities can be built, what those new buildings should look like, what green spaces should be protected, and what infrastructure should be provided.

The Hoe Neighbourhood Forum is now creating the Hoe Neighbourhood Plan to guide development in the local area through to 2034, covering new developments, housing, heritage, culture, tourism, transport, sense of community, green & blue spaces, and the local economy.

To ensure we accurately represent your opinions we would welcome your input to shape the plan as it develops.

How to get involved

As our draft plan takes shape, we'll be seeking feedback from locals and adjusting the plan accordingly. For the time being we're doing this through our website, so please visit us online and share your views at www.hoeforum.org.uk or find us on Facebook by searching for the 'Hoe Neighbourhood Forum members group'. Full details of the Neighbourhood Planning process can be found on the Plymouth City Council website at: https://bit.ly/2Y1Pmyp.

You can also join one of our plan-writing sub-groups: email plan@hoeforum.org.uk or call 07723 489 646.

When and where does the Hoe Neighbourhood Forum meet?

When things return to normal, we'll resume our monthly meetings, which take place on the fourth Wednesday of every month, at 7pm at the Bowling Club on Lockyer Street / Osbourne Place. Everyone's welcome so please come along to have your say on the Neighbourhood Plan, and hear about all the other great things that are happening in our area.

What else does the Hoe Neighbourhood Forum do?

We are a friendly local group, set up to build a stronger Hoe community. We are independent but have strong links with PCC and PWP. Other activities include:

- A community vision for the Register Office site
- Social events
- Sub-group for tourism.
